

Return form - Biomed

As our customer, you always have a 14-day right of return for unopened and unused products. However, please contact our customer service at info@biomed.fi before making a return.

After receiving permission from our customer service, please complete this form (or write down the required details on a blank piece of paper) and include it with the package.

Return the products free of charge to the Post Office, R-kioski or Matkahuolto office as a customer return.

Note! The actual recipient of the return shipment is Logitrail Oy, our logistics partner.

When the service office asks for a contract number, they are as follows, depending on which transport company you are using:

Post Office: 642030 Matkahuolto: 9517043

Schenker (ÄrräExpress): 462090

Keep the return receipt you received from the service office for tracking!
